### Rep. Danou Applauds Passage of Assembly Bill 194 in the Senate Committee on Natural Resources

MADISON - Rep. Chris Danou (D-Trempealeau) issued the following statement regarding the passage of AB 194 in the Senate Committee on Natural Resources:

“This bill is an excellent example of how legislators from both sides of the aisle can work together to craft legislation that is good for the majority of Wisconsin residents,” said Danou. “I’m happy to see AB 194 passed 4-1 in the Natural Resources Committee and is heading to the full Senate for a vote.”

“With AB 194 making its way to the Senate floor, people from all walks of life are that much closer to having the opportunity to hunt with a crossbow in Wisconsin. AB 194 will get more people, especially women, youth and disabled people in the woods to enjoy our great hunting tradition.”

“I am proud to have worked with people on both sides of the issue to find compromise on this bill and I hope to see AB 194 become law in time for the 2014 hunting season.”
